a: Numbers reported represent the total number of applications, not applicants, and may represent multiple applications submitted by individual applicants.

b: In cases where an institution reported inconsistent application totals across categories in the Application Pool Survey, the total represents the total number of applications reported by the institution in the race/ethnicity and gender category.

c: An application is considered complete if the applicant applied for admission and submitted his/her application, application fee (if applicable), and required transcripts.

NR: Not reported

NA: Not applicable
