a: Numbers reported represent the number of applications, not applicants, and may represent multiple applications submitted by individual applicants.

b: In cases where gender was unknown, total is greater than the sum of Male + Female.

c: Institution is a participating PharmCAS member for the 2011-12 application cycle.

d: Institution did not complete the Application Pool Survey; therefore, data from PharmCAS has been reported. Cannot calculate percent change because application data have not been verified by the institution.

NA: Not applicable/Not able to calculate

NR: Not reported
