

ACT (Academia-Community Transformation) Pharmacy Collaborative #ACTforPharmacy

We invite you and your school/college of pharmacy to commit or recommit to being an active member of the ACT Pharmacy Collaborative.

The ACT Pharmacy Collaborative is an operational learning and ACTing collaborative among schools/colleges of pharmacy and community pharmacy practices. The ACT Pharmacy Collaborative goal is to support the transformation of community-based pharmacy practice from a product-based care model to a community-based pharmacy care delivery model.

The ACT Pharmacy Collaborative will:

Unite. Mobilize. Amplify.

1. **Unite** schools/colleges of pharmacy and pharmacist leaders nationwide with a common focus to transform community-based pharmacy practice.
1. **Mobilize** stakeholders and resources to support and facilitate implementation of community-based pharmacy care.
2. **Amplify** the development and implementation of sustainable community-based pharmacy care delivery.

Dean's Statement of Commitment:

I, _____, as the Dean of _____, state my public commitment to the priority of community pharmacy practice transformation to a patient-centered care delivery model in our neighborhoods nationwide. As a result of my commitment, I will:

1. Publicly support faculty, staff, and student participation at this institution in the ACT Pharmacy Collaborative.
2. Designate and support the success of an ACT Champion who is the school representative and go-to person responsible for facilitating and developing transformative partnerships with community pharmacies and for all ACT Pharmacy Collaborative activities.
3. Support the success of the ACT Champion in all Collaborative initiatives and national service opportunities, including but not limited to:
 - Student engagement in community pharmacy transformation.
 - ACT Pharmacy Collaborative webinar participation.
 - Engagement with community pharmacies and participation in transformation initiatives.
4. Agree to have the logo of our school/college of pharmacy and the ACT Champion's contact information appear on the ACT Pharmacy Collaborative website.
5. Ensure school/college faculty are teaching the pharmacist patient care process as it applies to community pharmacy practice.
6. When able, contribute talent and resources from the institution to advance the transformation of community pharmacy practice.
7. Consider designating additional faculty and staff ACT team members who will actively participate in the ACT Pharmacy Collaborative.
